

Biological Father Health History Questionnaire

Why Completing this Form is so Important:

• This information is requested for the potential therapeutic use of the newborn stem cells for the child or a first or second degree relative (parent, sibling, child, grandparent, aunt, uncle, niece, or nephew).

Who Should Complete this Form?

- The biological father should complete this document.
- Residents of New York are required to complete this form when accessible.

What You Need to Know Before Answering:

- It contains questions about behaviors and travel history that you may find to be sensitive and of a personal nature.
- Each question must be completed and will need to be answered to the best of your ability.
- The information provided is confidential and will only be shared with your physician, or the child's physician upon request and with your consent.

Need Help with Questions:

• If you need help or have questions, call 800-998-4226.
